Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicants bring to the attention of the Examiner the documents on the attached IDS Form PTO/SB/08. This Information Disclosure Statement is being filed after the events recited in Section 1.97(c) but before payment of the issue fee and is accompanied by a fee of \$180.00 as specified under § 1.17(p) and a statement as specified under § 1.97(e).

Copies of the listed foreign and non-patent literature documents are attached. Applicants respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The following constitutes a statement as specified by § 1.97(e). Japanese references JP 2000-208396 and JP 2001-264634, listed in this Information Disclosure

Statement, were first cited in a communication from the Japanese Patent Office, mailed May 26, 2011, for Japanese Application No. JP 2006-543096, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

JP 2000-208396 - The relevance of this document may be provided by an English-language translation, a copy of which has been submitted herewith

JP 2001-264634 - The relevance of this document may be provided by an English-language translation, a copy of which has been submitted herewith

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any additional fee due in connection with the filing of this Statement,
please charge the fee to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
